QUESTIONS CUSTOMERS ASK

Where is it from?

Grown in Coquitlam, BC. Rolled and packed in British Columbia by a federally licensed processor.

How is it rolled?

Three half-gram pre-rolls to a tube, straight-cut with a slight taper.

Can I see the lab results?

Yes. The key results, including the Health Canada safety panel, are at unrstrctd.com/lot/2604005.

What's next from the brand?

Two more files are sealed: IPK47 (infused pre-rolls, 5-pack) and IPK61 (multi-infused pre-rolls, 3-pack). Details publish when each lot is tested.

KEEP IT FACTUAL

Talk about the lot, the numbers and the aroma. Do not describe effects, health benefits or how it will make someone feel. Those claims are not allowed for cannabis in Canada.
